

SPAMANICURE™

ALMOND HYDRATING LOTION

WHAT IT IS

A silky-smooth hand & body lotion that quickly absorbs into the skin leaving a soft, satin feel and a light almond fragrance.

WHAT IT DOES

- Jojoba Oil carries vitamin E deeply into the skin to help reduce visible signs of aging. Naturally light oils keep skin soft and supple.
- Light, fast-absorbing formula.

WHY YOU NEED IT

- To enhance the massage portion of a manicure service.
- To expand your retail opportunities: send home with clients after each manicure service.

FEATURED INGREDIENTS AND BENEFITS

Jojoba Seed Oil (*Simmondsia Chinensis*):

Deeply penetrating natural oil for excellent moisturizing and conditioning. Jojoba oil acts like a carrier to increase penetration of other ingredients.

Vitamin E (*Tocopheryl Acetate*):

Used for its highly effective moisturizing and softening agents. Also known to improve skin elasticity.

Sunflower Oil (*Helianthus Annuus*):

Softens and conditions.

Rice Bran Oil (*Oryza Sativa*):

Softens and conditions.

Glycerin:

Derived from vegetable oil, used for its powerful hydrating attributes. Glycerin absorbs quickly into the skin and acts like a moisture magnet by pulling water into the skin and holding it there.

DIRECTIONS FOR USE

- Massage into skin as needed.

CND offers comprehensive education opportunities. Check the education section of CND.com for a class near you.

CREATIVE SUGGESTIONS

- Offer a full Almond SpaManicure service utilizing the entire family of Almond products for a soothing experience.
- Affordable gift item; excellent retail opportunity.
