

SPAMANICURE™

# ALMOND SOOTHING CRÈME

## WHAT IT IS

A rich, intensive hand cream that deeply moisturizes and protects dry, parched skin.

## WHAT IT DOES

- Jojoba oil carries vitamin E deeply into the skin to help reduce visible signs of aging. Naturally light oils keep skin soft and supple.
- Shea butter forms a protective barrier that shields skin from the elements.

## WHY YOU NEED IT

- To expand your retail opportunities: send home with clients after each manicure service.

## FEATURED INGREDIENTS AND BENEFITS

### Shea Butter (*Butyrospermum Parkii*):

Superior skin conditioner with naturally occurring vitamins E and A (excellent antioxidants).

### Jojoba Seed Oil (*Simmondsia Chinensis*):

Deeply penetrating natural oil for excellent moisturizing and conditioning. Jojoba oil acts like a carrier to increase penetration of other ingredients.

### Vitamin E (Tocopheryl Acetate):

Used for its highly effective moisturizing and softening agents. Also known to improve skin elasticity.

### Rice Bran Oil (*Oryza Sativa*):

Softens and conditions.

### Sweet Almond Oil (*Prunus Amygdalus Dulcis*):

Softens and conditions.

## DIRECTIONS FOR USE

Massage into skin for an intensive moisture treatment.

CND offers comprehensive education opportunities. Check the education section of [CND.com](http://CND.com) for a class near you.

## CREATIVE SUGGESTIONS

- Offer a full Almond SpaManicure service utilizing the entire family of Almond products for a soothing experience.
- For intensive moisture treatment:
  - Apply to skin and put on cotton gloves at bedtime
  - Apply to skin before going out into the cold
- Affordable gift item; excellent retail opportunity.
